## **Give a Gift of Hope to Those Fighting Cancer**

**Houston, TX...** Can't find the perfect holiday gift? Instead of giving more things, give more meaning! CanCare, a Houston-based nonprofit organization that connects cancer survivors to those currently facing a battle with cancer, is offering a "Gift of Hope Card" that will make a difference in the lives of cancer patients and their families.

According to the American Cancer Society, 4 out of 5 families are affected by cancer and 91,000 new cases of cancer are expected to be diagnosed in Texas this year. CanCare provides emotional support from trained volunteers who have survived the same type of cancer others are fighting. With over 500 volunteers representing more than 50 different types of cancer, CanCare is dedicated to improving the quality of life for those dealing with cancer by offering Hope. Patients are matched with a survivor of the same type of cancer so they have a deep understanding of exactly what the person is experiencing – both physically and emotionally.

To send someone a Gift of Hope Card, simply make a donation to CanCare in any amount and mail your check marked "A Gift of Hope Card" with the recipients name and address to CanCare, Inc. 9575 Katy Frwy. Suite 428, Houston, TX 77024. We will send the card to your designated recipient honoring them and letting them know of your gift.

CanCare was founded in the faith community in 1990, and now partners with more than 100 congregations, corporations and hospitals in the Houston area. All CanCare services are confidential and free of charge. CanCare also offers support to those who are caring for someone with cancer from those who have been in the caregiver role themselves.

For more information on CanCare, visit [www.cancare.org](http://www.cancare.org) or call 713-461-0028.
